Aeyons Online Lessons FAQ

1. What technology do I need?

All you'll need is a laptop, tablet or phone with a built in camera/mic. The setup is very low-tech. You'll also need an email address that's easily accessible via the device you're using. We will be using a free video conferencing program called Zoom. I will send you a link via email a few minutes before the lesson. All you need to do is click on it and you'll be in video contact with the me!

Oh and a guitar. You'll need a guitar.

2. What will we learn?

Anything you like, from rock to blues and pop to country! Just send me a list of a few things you want to learn and we will start there. Prior to our lesson I will email you all lesson materials (PDFs and/or mp3s). If you are having trouble choosing, I also have a massive repertoire of over 3,000 songs for you to choose from. It's available at https://simonmorel.com/wp-content/uploads/2019/09/Lessons-song-list-2019_9_11.pdf

3. How long are lessons?

All online lessons are 1 hour long.

4. What does an online lesson look like?

Check out this video I put together - <https://youtu.be/3ckfiPXID7g> (2 minutes)

5. What if I've never played the guitar before?

I've been teaching guitar for over 20 years (and running online lessons for over 5 years) - it doesn't matter what level you are. I'm confident I can help you!

6. How often should I have lessons?

If you a beginner/intermediate I recommend weekly lessons, if you have more experience, fortnightly lessons can work. However, you do need to make sure to keep up your practice schedule.
