Dear Mrs Koeckert,

It is a miracle that I received your son's C.D.'s. They were sent to Salzburg and I moved from there three years ago.

Your ~~son~~ is a wonderful violinist with definitely his own style. To be 50 & still as concert is the best I've heard on record. He has a great temperament.

I am on the jury of the Munich contest in September and I look forward to meeting both of you at this time.

Sincerely

Ruggiero Ricci

P.S. Please excuse my terrible writing. I'm 86 and it's worse than ever
